

GORDON-RUSHVILLE PUBLIC SCHOOLS ALUMNI FOUNDATION, Inc.

“BLENDING OUR PASTS FOR A BRIGHT FUTURE!”

The Mission of the Gordon-Rushville Public Schools Foundation is to enhance the quality of public education for students of today and to build a permanent fund to provide resources for otherwise unattainable opportunities for students of tomorrow.

The Gordon-Rushville Public Schools Foundation was formed in 2011 by a group of GHS and RHS alumni and is governed by a volunteer Board of Directors. Alumni Board members are community minded individuals with a commitment to Gordon-Rushville Public Schools. The Foundation Board is proud of the history of the Gordon and Rushville School systems, and equally as proud and optimistic of what the future holds for the Gordon-Rushville Public Schools. They understand that a strong school system is a crucial part of thriving communities. The Board members have an active interest in the educational advancements of students and in increasing opportunities for the students, staff and communities alike. The Foundation operates independently of the Gordon-Rushville Board of Education.

The original intent of the Foundation was to provide scholarships to GRHS graduates. However, the goals and vision of the Foundation have expanded. The Foundation is now looking to help provide resources for larger capital projects in addition to scholarships.
